JANUARY 16, 2018

FOR IMMEDIATE RELEASE

Hopkinsville, KY - The Hopkinsville Division of Parks and Recreation is pleased to announce the continued partnership with Challenger Sports to host a week long British Soccer camp for ages 3-16 June 4-8, 2018 at DeBow Recreation Complex. Each player will be coached by a member of Challenger's British coaching staff flown to the USA exclusively to work on these programs.

Programs Coordinator, Toby Hudson stated, *"We have been working with Challenger Sports for a couple of years and have created a great continuing relationship. What an outstanding opportunity for youth soccer players of all skill levels from our community can participate in such a unique camp experience."*

Challenger Sports British Soccer Camp is the most popular soccer camp in the country based upon one of the most innovative approaches to coaching youth soccer in the US and Canada. The experienced international staff study the game at all levels and will help players improve their core techniques and become more confident on the ball. With programs for each age, the curriculum includes a variety of foot skills, technical drills, tactical practices, freestyle soccer, small-sided games and coached scrimmages. World Cup style games are held each day where campers compete for their adopted country and are encouraged to learn about different customs and cultures, and the core values of respect, responsibility, integrity, sportsmanship and leadership.

Each camper will receive \$100.00 worth of camp gifts and will be provided free access to the IChallenge App and a collection of skill-building videos. In addition, any child who signs up online before April 20, 2018 will receive a genuine British Soccer replica Jersey.
